

NOTICE OF INTRODUCTION, ADOPTION AND USE OF VOTING SYSTEM

Notice is hereby given that on March 20, 2018, at all polling places in the County of Jefferson a General Primary Election will be held at which a new electronic voting system, Election Systems & Software's DS200, will be used. The DS200 is similar to the M100s we have used for the last 16 years as they will still use the paper ballot, but they have some added features such as larger and more user friendly screen.
